Tsudakoma rotary table

### **Lagun Vertical Mill**

## **Manual Department**

Mori Seiki MH-2000; 24" swing

Vertical and horizontal milling machines

Manual arbor presses

60 ton hydraulic press

Sunnen Honing machine

Hyd-Mech automatic horizontal bandsaw

MIG and TIG welders

## **Software**

Solid Works

Corel Draw

Gibbs CAM

AutoVue

## **Other In-House Processes**

Optical comparator

Laser

Impression stamping

Abrasive blasting

Tumbling

## **Outside Processes**

In the event we need to outsource something such as anodizing, we pull from a small pool of vendors with whom we have established a good working relationship and can guarantee the quality of the service including certification of services as needed.
